

Kanchan Kumari

Software Developer

M: 8051047205 | Jharkhand, India | kanchankumari12ks@gmail.com | [linkedin.com/in/kanchan-kumari-189ba4162](https://www.linkedin.com/in/kanchan-kumari-189ba4162)

PROFILE SUMMARY

A highly motivated Software Developer with a Bachelor's degree in Electronics & Communication Engineering and hands-on experience in Java development, web development, and cloud technologies. Proficient in designing, developing, and deploying scalable solutions using modern tools and frameworks. Adept at problem-solving, working collaboratively with cross-functional teams, and delivering high-quality code. Seeking to leverage skills in Java, Spring Boot, front-end technologies, and cloud computing to contribute to dynamic and innovative teams.

SKILLS

Programming Languages – Java, JavaScript, HTML5, CSS3

Core Skills – Software Development, Full-stack Development, Web Application Development, Cloud Solutions

Tools – Visual Studio, Git, GitHub, Postman, Azure, MySQL

Frameworks & Libraries – Spring Boot, Hibernate, JPA

Cloud Technologies – Microsoft Azure, Azure Information Protection (AIP)

Databases – MySQL

Others – Encryption Solutions, Problem Solving, Documentation

PROJECTS

Development

Jan 2023 – Present

Myntra Clone

Technologies: HTML5, CSS3, JavaScript

- Created a Myntra clone replicating the e-commerce layout with basic functionality for user interaction.
- Ensured responsiveness and mobile-first design principles.
- Utilized tools like Visual Studio for debugging and testing.

Amazon Clone

Technologies: HTML5, CSS3

- Created Amazon's main page clone.

Hangman and Tic Tac Toe Game

Technologies: Java

- Developed these games using tools like Visual Studio.

Self-Care

- Focused on maintaining skill set and upskilled by learning technologies like Java, HTML5, CSS3, JavaScript. Also focused on my health.
-

WORK EXPERIENCE

Analyst

Wipro, Pune

Nov 2020 – Dec 2022

- Developed and managed encryption solutions using **Azure** services, ensuring secure data handling according to client specifications.
 - Collaborated with clients to understand their encryption needs and provided tailored solutions using AIP and PowerShell.
 - Developed and tested decryption scripts as part of a larger cloud infrastructure project, ensuring system compatibility and reliability.
-

EDUCATION

Bachelor of Engineering in Electronics & Communication

Lakshmi Narain College of Technology, Bhopal (M.P.)

2016 – 2020, CGPA: 8.98/10

Higher Secondary Education

R.K.S. Vidya Mandir, Dhanbad, Jharkhand

2013 – 2015, %: 89.6/100

ACHIEVEMENTS & AWARDS

- **Inspiring Performance Award** – Awarded twice for exceptional service and proactive client solutioning at Wipro.
 - **Habit Flagbearer** – Recognized for demonstrating stewardship and being responsive to customer needs at Wipro.
 - Refined problem-solving and software development skills.
-

LANGUAGES

- **English** – Full Professional Proficiency
- **Hindi** – Full Professional Proficiency
