

Kanchan Kumari

Software Developer

M: 8051047205 | Jharkhand, India | kanchankumari12ks@gmail.com | [linkedin.com/in/kanchan-kumari-189ba4162](https://www.linkedin.com/in/kanchan-kumari-189ba4162)

PROFILE SUMMARY

A highly motivated Software Developer with a Bachelor's degree in Electronics & Communication Engineering and hands-on experience in Java development, web development, and cloud technologies. Proficient in designing, developing, and deploying scalable solutions using modern tools and frameworks. Adept at problem-solving, working collaboratively with cross-functional teams, and delivering high-quality code. Seeking to leverage skills in Java, front-end technologies, and cloud computing to contribute to dynamic and innovative teams.

SKILLS

Core Skills – Java, JavaScript, HTML, CSS

Tools – Visual Studio, IntelliJ, Git, GitHub, Postman, MySQL Workbench

Cloud Technologies – Microsoft Azure, Azure Information Protection (AIP)

Database – MySQL

Others – Encryption Solutions, Problem Solving, Documentation, Cross-team Collaboration

PROJECTS

Software Development

Nov 2024 - Present

- Created Myntra and Amazon's main page clone using HTML, CSS and JS.
- Mini Projects – Keyboard Check, Colour Changer, Digital Clock, BMI Calculator, Unlimited Colours (HTML, CSS, JS).
- Actively learning Java to develop backend-driven applications.
- Continuously upskilling in DSA and frontend development.

WORK EXPERIENCE

Analyst

Wipro, Pune

Jan 2022 – Dec 2022

- Managed Azure Information Protection (AIP) labels and policies for 10K+ users, configuring labels, policies and advanced policy settings using PowerShell, Azure Portal & Security & Compliance Portal.
- Handled incidents, requests, and change management for AIP Team via SNOW portal, maintaining 100% accuracy in analysis reports.
- Identified security vulnerabilities, implemented compliance measures based on Qualys reports, and ensured risk mitigation for AIP-related systems.

- Conducted testing & evaluation in test environment of AIP-to-MIP migration, analysing roadmap, licensing, and feature changes.
- Completed SC-900 training, strengthening expertise in cloud security & compliance frameworks.

Project Engineer

Nov 2020 – Dec 202

Wipro, Pune

- Supported testing of AIP package deployments, including interdependencies with other applications and systems.
- Provided critical project support by monitoring automated encryption scripts and resolving errors with developers & Microsoft customer support.
- Utilized internal tools and portals such as GMT, PROTON, PAM, and SQL Server Management Studio for tracking and providing license for AIP, change execution and UAT testing of AIP features, access control, and data extraction respectively.
- Completed AZ-900 training, strengthening expertise in Azure fundamentals.

EDUCATION

Bachelor of Engineering in Electronics & Communication

Lakshmi Narain College of Technology, Bhopal (M.P.)

2016 – 2020

CGPA: 8.98/10

Higher Secondary Education

R.K.S. Vidya Mandir, Dhanbad, Jharkhand

2013 – 2015

?: 89.6/100

ACHIEVEMENTS & AWARDS

- **Inspiring Performance Award** – Awarded twice for exceptional service and proactive client solutioning at Wipro.
- **Habit Flagbearer** – Recognized for demonstrating stewardship and being responsive to customer needs at Wipro.
